

# **Pacific Coastal Salmon Recovery Fund Workshop**

## **Breakout Session Summary Monitoring and Evaluation Protocols December 12, 2002 Facilitated by John Stein, NOAA Fisheries**

### **What is the PCSRF Niche for Monitoring?**

#### **Monitoring and Evaluation Priorities:**

1. Effectiveness (e.g., project type)
2. Watershed Scale (intensive monitoring)
3. Status and Trends (baseline)

#### **Funding:**

1. 5 – 15% of total is justified for MnE priorities

#### **In the Process of Monitoring:**

1. Don't lose sight of
  - Accountability
  - Coordination is necessary and people must be willing to engage

#### **Reporting:**

- Deliver clear messages
- Acknowledge all levels of participation (grassroots involvement)
